

Relevance of the email:

- A warm and welcoming email to the parents a week before the event, inviting them for Bright Hearts Mind Shine. The Letter gives a brief on what the event is about and the time and date of the event.
- In addition E-invite is a personalised invitation by children (designed by them) sent to the parents. The idea is that the children take complete ownership of the event right from the start!

Dear Parents,

We take great pleasure in inviting you for our Term End event - Bright Hearts and Minds Shine.

This is a platform where students of Grades 3 & 4 will make visible their growth and learnings over the term – both for content and character.

Please join us in celebrating and applauding their growth!

Date: 6th November, 2015

Time: 8:30 am to 9:30 am

Please note, that the students of Grades 3 & 4 will be going back with the parents after the BHMS. Attached please find the e-invite for the same.

Warm Regards,
Nikita and Nandini,
Key Stage 2
